

Encore Theatrical Arts Project, Inc. (ETAP) provides Musical Theatre education, entertainment, and outreach programs to both local and international communities for over 24 years. While adhering to standards of excellence in performance, choreography, musical direction, lighting, costume, and set design, ETAP mounts two Broadway-caliber productions each year. ETAP's training and performance opportunities inspire students towards greater community involvement and the personal discipline and commitment required to master an art. Many of our alumni pursue dance professionally and perform on Broadway, National Equity Tours, Royal Caribbean, Holland America, Disney, and Carnival Cruise Lines, Washington Redskins and Washington Wizards.

Founded in 1996 **ETAP is a 501(c)3 not-for-profit organization** serving the artistic and performance needs of Fairfax County and Northern Virginia. ETAP has staged and produced over 40 productions of original shows and has collaborated with other not-for-profit organizations to raise funds for several local community enrichment programs. Reaching out to over 500,000 audience members including far beyond its borders, the company has traveled to China, Spain, Greece and South Africa since 2002, sharing its passion for community and dance on the global stage. In 2006, ETAP was recognized by the Fairfax County Board of Supervisors for representing Fairfax County and the U.S. abroad at Beijing Cultural Festival. ETAP was honored to perform at the International Children's Festival at Wolf Trap in September of 2007. Continuing with its outreach program, ETAP has developed a Behind the Scenes Program for the National Council of Girl Scouts. Scout troop members are invited to take part in the Behind the Scenes Tour one hour prior to performances. They are introduced to the director, choreographer, scenic designer, and lighting designer who share a history and knowledge of their craft. Troops are invited on stage to meet some of the cast and get a first-hand look at the stage and costumes from the performers' point of view. Over 45,000 scout troop members and their families have taken part in this experience.
